About us

We are a team of passionate individuals educated from premier institutes across India, who feel grateful for the educational and career opportunities we've got and earnestly wish to create a platform that opens up such possibilities to anyone, regardless of their socio-cultural backgrounds and previous academic track records!

IGNOU Dost is an Online Platform for Higher Education, that provides personalized learning support for pursuing UG and PG degrees from reputed universities through a consistent Mentorship program, all through a mobile application. Alongside learning, the program also takes care of the individuals' career needs through individually tailored Career Coaching, Job-Readiness Training and industry relevant add-on Up-Skilling programs.

About IGNOU

For the present program, we have chosen IGNOU (Indira Gandhi National Open University) as the Institute we enroll our students with for obtaining their degrees. Along with registration with our learning program, the student enrolls with IGNOU as anyone would normally do. The difference here being that Learnwise will be supporting the student's learning whilst pursuing their degree from IGNOU.

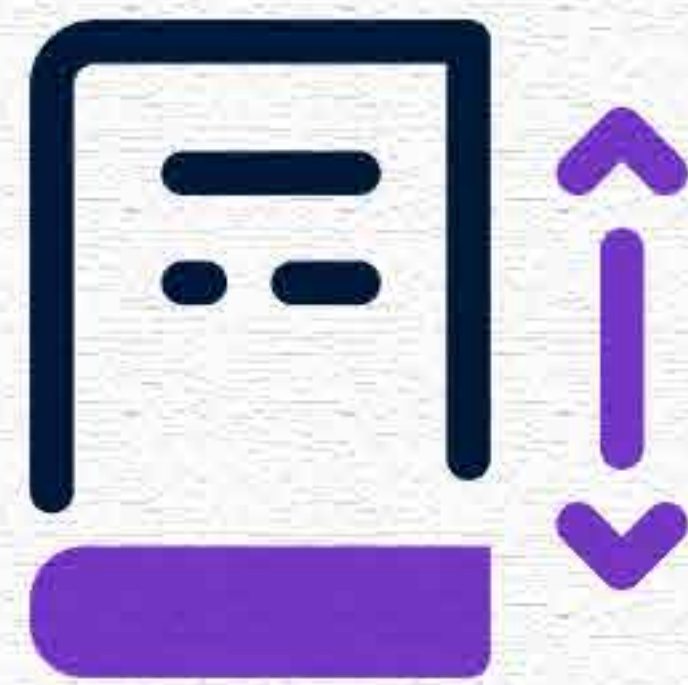

The Indira Gandhi National Open University is the world's largest University imparting education through open and distance mode. Established in 1985, IGNOU is an internationally awarded Central University which aims to provide quality higher education opportunities to all segments of the society. It is a University that constantly strives to raise the standards of distance education and actively researches best practices in open education. Currently, it has 21 schools of studies, 67 regional centers, 3500 study centres, 12 overseas study centers, and offers 200+ programs, ranging from certificate courses, diplomas, bachelors, masters to doctoral programs.

Program Code: BCOMG

Minimum age: No bar

Maximum age: No bar

Eligibility: 10 + 2 or equivalent

Course Duration: Minimum 3 years, Maximum 6 years

Session starts: January & July of every year

Commerce is the study of trade and business activities, which encompasses the exchange of goods and services from producers to consumers. Individuals who are interested in topics such as financial transactions, trading, like accountancy and economics in general, and may have an affinity towards numbers may find the Commerce a right fit for their career.

Commerce courses cover a wide range of subjects including accounting, economics, finance, banking, taxation, auditing, business administration, human resources, entrepreneurship, to pick a few. Generally at the undergraduate level, B.Com courses provide a general grounding in all these topics and a specialization is usually taken up at the post-graduate level.

The Bachelor of Commerce offered by IGNOU comes under the School of Management Studies. It is a broad program with a mix of disciplinary, interdisciplinary and skill based courses. The program is conceptualized to build strong foundational knowledge in Commerce. It serves as a good base to start a career in either academics in Commerce or industries that apply Commerce and Management principles.

BCOMG Program Structure

The Bachelors in Commerce program (BCOMG) at IGNOU is offered as a Choice-Based Credit System (CBCS) under the Semester System mode.

There are a total of 24 courses in BCOMG, out of which out of which 12 are Commerce Core Courses (CCs), 4 are Discipline- specific Electives (DSEs), and there are 2 Generic (Inter- disciplinary) Elective Courses (GEs), 2 Ability Enhancement Compulsory Courses (AECCs) and 4 Skill Enhancement Courses (SECs).

The total credits for the program is 132 credits, out of which the CCs, DSEs, GEs are of 6 credits each while the AECCs and SECs are of 4 credits each. Each of the six semesters comprises of different types of courses (a mix of CCs, DSEs, GEs, AECCs and SECs) with the total number of credits adding up to 22 in each semester.

Learn. Up-Skill. Flourish.
