Minimum age: No bar

Maximum age: No bar

Eligibility: 10 + 2 or equivalent or BPP from IGNOU

Course Duration: Minimum 3 years, Maximum 6 years

Session starts: January & July of every year

With a substantial number of courses drawn from a single discipline (English), and a few interdisciplinary and skill-based elective courses, the Bachelors Honours Programme (English) is designed to give an in-depth knowledge in that discipline while allowing for exposure to subjects beyond the discipline as well. The Honours Programme has the following general objectives:

1. To introduce the learner to main themes and topics in the discipline of English through core, discipline-centric electives, ability/skill enhancement and generic courses.
2. To facilitate the learners to work towards ability and skill enhancement through exposure to appropriate courses in humanities and social sciences.
3. Introduce learners to reading and writing skills through assignments and exercises at an undergraduate level.
4. Expose the learners to the importance of interdisciplinary study by enabling them to offer courses outside their disciplines.

More courses will be added to the bundle of options in the skill enhancement and generic elective courses as we go along.

# BAEGH Program Structure

In each semester, the students have to choose four 4 courses in all from different categories of courses.

While the courses under CC, DSE and GE Categories are of 6 credits each, the courses under AECC and SEC are of 4 credits each. While the fourteen CCs are distributed across the six semesters, the four DSEs are available in the fifth and sixth semesters only. The university will be adding new SECs and electives (DSEs and GEs) to the existing pool of courses from time to time. There will then be a number of SECs and GEs available in each of the semesters in which they are offered of which a student has to opt for only one GE for study in each of the first four semesters and one SEC each during the third and fourth semesters of the programme. The study load in first and second semesters will be 22 credits each and while the credit load in the third and fourth semesters will be enhanced to 28 credits each, it will come down to 24 credits each in the fifth and sixth semesters. Thus the total study load will come to 148 credits. The following Table presents the CODES of courses available for BA Honours (English) in each semester from different category of courses with credit load-wise list of Courses:
